Re: Change of Identification Authorization

To whom it may concern,

The letter grants authorization for the representative of GLOBE7 HK LIMITED to apply for a new FCC identification. This authorization applies to XIAMEN YEALINK NETWORK TECHNOLOGY CO., LTD.'s product: USB Wireless Phone, FCC ID T2CUSBW0001, granted on 2006-06-21. The equipment is electrically identical. The only change will be the label on the device. The original test results , technical information and relevant documents continue to be representative of and applicable to the changed equipment.

Should there be any questions, please feel free to contact us.

Sincerely ,

A handwritten signature in black ink, appearing to read "Stone Lu". The signature is fluid and cursive, with the first name "Stone" and the last name "Lu" clearly distinguishable.
